THE YORK PLACE DENTAL CLINICAL TEAM

## Welcome to York Place Dental

At York Place Dental, we pride ourselves on being a modern practice equipped with state-of-the-art facilities and a team of forward-thinking, highly experienced dental professionals. Our diverse range of specialties allows us to offer comprehensive treatments tailored to each patient's needs, whether it's preventive care, restorative dentistry, orthodontics, or catering to nervous patients.

York Place Dental has been serving the local community and beyond since its inception. Originally from Bristol, qualifying in Newcastle in 1988, my affinity for the outdoors led me to the breathtaking landscapes of the Lake District, where I have practised for over three decades.

I envisioned York Place Dental as more than just a dental practice; it's a sanctuary of calm and comfort where patients receive personalised, unrushed care of the highest quality.

Our mission is simple: to provide a safe, welcoming environment and deliver exceptional general and cosmetic dentistry.

*Dr Richard Hellen*

PRINCIPAL DENTIST

Welcome

We believe in the power of prevention and prioritise helping our patients achieve and maintain optimal long-term dental health.

Our patients are the heart of our practice, and their well-being is our top priority. We ensure active patient involvement at every stage of their treatment journey, fostering trust and transparency.

At York Place Dental, our values and ethos permeate every aspect of our practice, from the serene reception area to the modern treatment rooms equipped with ceiling-mounted TVs and a selection of soothing music.

## Our approach

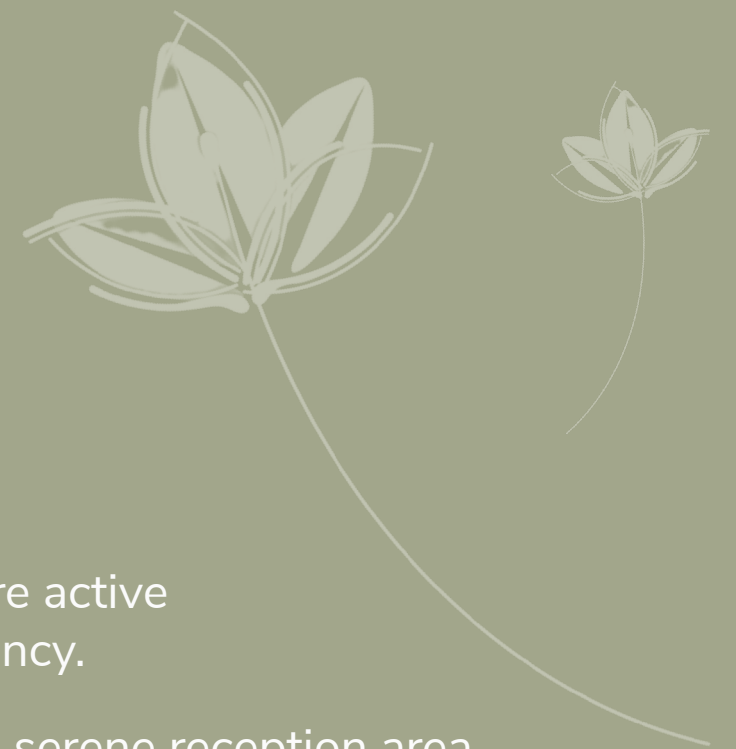

We pride ourselves on delivering high-quality, ethical dentistry with a strong emphasis on preventive care and excellent customer service. Our practice operates on a private basis, with adult care provided through our in-house membership plans and children's care through a dedicated plan focused on prevention.

## Our preventative focus

We are proud to be one of the few practices in Cumbria offering hygienist-led dental examinations, placing our preventative ethos at the forefront of patient care. Our flexible hygiene structure allows us to effectively treat and maintain all but the most severe periodontal cases, enabling our dentists to focus on providing their specialised skills to suitably cared-for patients.

## Our team

Our dedicated team includes fully qualified dental nurses, many of whom are or are working toward treatment coordinator status or enhanced duties. We currently offer 8 days a week of fully assisted hygiene therapy and dental therapy, with our front-of-house team working in tandem with treatment coordinators and our business manager to ensure smooth operations.

# Dental Hygienist

## Part time, fixed term position available

Would you like to work in our lovely modern practice, with the highest standard of equipment and facilities, with experienced clinicians in the fields of facial aesthetics, orthodontics, including Invisalign, advanced restorative, cosmetic dentistry, hygiene therapy, implants and endodontics? Well, we now have an exciting opportunity for a Dental Hygienist to join our amazing team on a fixed-term basis, covering maternity leave.

- We are an established modern general and cosmetic dental practice in Carlisle and we are looking for a Dental Hygienist to complement our fantastic team.
- We offer excellent rates of pay and benefits, including private dental care, access to worldwide dental emergency assistance and an employee family discount plan
- We spend the right amount of time with our patients, tailored to their individual needs.
- We aim to maintain a happy and enjoyable working environment where team work is key and we ensure that our team feel valued and rewarded.
- We always provide a clean, safe and supportive environment.
- We have a fantastic, supportive team, including excellent and robust management, an efficient administration team, a fantastic Treatment Coordination team, and qualified and experienced nurses.

We would love to welcome you to our team.

DENTAL  
PRACTICE

# The ideal candidate

Are you a Dental Hygienist seeking a fulfilling position in a 100% private dental practice? Look no further! At York Place Dental, we're dedicated to providing our patients with exceptional care and our team members with an environment where they can thrive.

As our practice continues to grow, we're seeking the right Dental Hygienist to join our wonderful, friendly team. This is an excellent opportunity to thrive in the role you trained for, with ample support provided to help you settle into this exciting position.

Our practice boasts four state-of-the-art surgeries equipped with the latest technology. From Dentally practice management software to Schick digital radiography and a digital OPG. Additionally, we utilize 3shape Trios and iTero scanners, along with an operating microscope, to enhance diagnosis and treatment planning. Each surgery is equipped with Denon sound systems, iPods, iPads, Spotify, and ceiling-mounted video screens for patient entertainment.

# Requirements

You are a qualified Dental Hygienist with valid indemnity insurance

You are committed to delivering excellent care and high-quality treatment

You are a passionate people person and an excellent team player

You are able to work collaboratively within a team environment

You have exceptional communication skills and a strong work ethic.

You are proactive and have a professional and positive attitude.

You are looking for a practice that can give you the support you need to develop your skills and learn new things.

You are looking for a new challenge in a stimulating and rewarding environment.

**At York Place Dental, you will be part of a supportive, team-focused environment where you will have the time, equipment and support needed to provide high-quality patient care.**

# At York Place Dental, our values define who we are and guide everything that we do.

We are dedicated to providing the finest dental care, aiming to ensure a lifetime of optimum oral health for our patients. Our approach is centred on building strong patient relationships based on mutual trust, excellent customer service, and the highest standard of care available. We conduct ourselves with honesty, transparency, and ethical principles, earning the trust and respect of our patients and colleagues.

Patients can rest assured that their care will be administered with a genuine sense of caring, comfort, and kindness. At York Place Dental, we prioritise the well-being and satisfaction of our team and our patients, striving to create a welcoming and supportive environment where everyone involved feels at ease.
